

Leron, Leron Sinta

Tagalog

Leron, Leron, sinta
Buko ng papaya
Dala dala'y buslo
Sisidlan ng bunga
Pagdating sa dulo'y
Nabali ang sanga,
Kapos kapalaran
Humanap ng iba.

Halika na Neneng,
Tayo'y manampalok
Dalhin mo ang buslo,
sisidlan ng hinog
Pagdating sa dulo'y
uunda-undayog
Kumapit ka Neneng,
baka ka mahulog.

English

Leron, Leron, my love
Papaya sprouts above
Take up a basket
To hold the fruit
Upon reaching the top
The branch broke
What bad luck
I'll find another one.

Come on now Neneng,
Let's pick tamarind
Carry your basket
To hold the ripe fruit
Upon reaching the top
The branch sways
You hold on Neneng,
You might fall.
